
Revision Update: March 24, 2020 @ 4:30PM

COVID-19 – Provincial Government – Support for Businesses

- The Provincial government is reaching out on a daily basis to leaders at businesses big and small, including at our financial institutions, as well as unions, to ensure we have the latest information, and that there is an open line of communication as the government works to address COVID-19's impact on the economy.
-
1. March 24th - Off-peak Time-Of-Use (TOU) electricity rate for small businesses, and farm customers – **Currently Active**
 - For a **45-day period**, the government is working to suspend time-of-use electricity rates, holding electricity prices to the off-peak rate of **10.1 cents-per-kilowatt-hour**.
 - This reduced price will be available **24 hours per day, seven days a week** to all time-of-use customers.
 - Customers will see rate reductions of over **50 per cent** compared to on-peak rates.
 - This discount will be applied automatically to electricity bills without the need for customers to fill out an application form.
 - Depending on billing cycles, some customers will see these changes on their next electricity bill. TOU customers whose billing cycle ended before their local distribution company implemented this change will receive the reduced rate as a credit on a future bill.
 2. March 21st - Launch of Ontario Together Website **Currently Active**
 - **Ontario Together**, a new website that will help businesses and their employees work with the province to meet the challenges of COVID-19.
 - The website will identify the province's supply challenges and solicit ideas and advice from Ontario's business and manufacturing communities on how the government can work together to meet the need.
 - Through the portal, companies will be able to submit proposals for the government to procure required goods and services and share creative solutions quickly.
 - <https://www.ontario.ca/page/how-your-organization-can-help-fight-coronavirus>

Revision Update: March 24, 2020 @ 4:30PM

3. March 19th - Municipal Emergency Act, 2020 - Supply Chain - Temporary Changes to Municipal Noise By-Laws: **Currently Active**
 - The new legislation ensures that for the near future, the delivery of goods to Ontario's businesses and consumers isn't impacted by municipal noise by-laws that may unintentionally be impeding such deliveries when they are most urgently needed.
 - The new legislation will waive local noise by-laws allowing delivery trucks to operate overnight.
 - These temporary changes will allow businesses to transfer goods between their warehouses and retail stores 24 hours a day, seven days a week.

4. March 19th - Commercial Vehicles - Extension of validation Periods for Driver, Vehicle and Carrier Products: **Currently Active**
 - New regulations include extensions for driver licences, licence plate validation, Ontario Photo Cards, and **Commercial Vehicle Operator Registration certificates**, among others.
 - The Ministry of Transportation is also automatically extending the due dates for medical or vision reports
 - This extension will be in place until such time that, based on the advice of Ontario's Chief Medical Officer of Health and public health officials, the current situation improves.

COVID-19 – Provincial Government – Support for Individuals

- The Province is working with partners across the healthcare system, from public health to hospitals and community care, to do everything possible to contain the virus and ensure that the system is prepared to respond to any scenario.

5. March March 24th - Off-peak Time-Of-Use (TOU) electricity rate for families and residential customers– **Currently Active**
 - For a **45-day period**, the government is working to suspend time-of-use electricity rates, holding electricity prices to the off-peak rate of **10.1 cents-per-kilowatt-hour**.
 - This reduced price will be available **24 hours per day, seven days a week** to all time-of-use customers.
 - Customers will see rate reductions of over **50 per cent** compared to on-peak rates.

Revision Update: March 24, 2020 @ 4:30PM

- This discount will be applied automatically to electricity bills without the need for customers to fill out an application form.
 - Depending on billing cycles, some customers will see these changes on their next electricity bill. TOU customers whose billing cycle ended before their local distribution company implemented this change will receive the reduced rate as a credit on a future bill.
6. March 23rd - Ontario Closing At-Risk Workplaces to Protect Health and Safety
Currently Active
- Ontario government will be ordering at-risk workplaces to close-down, while encouraging businesses to explore opportunities to continue operations through work-from-home and innovative business models
 - At-risk workplaces will be ordered to close by 11:59 p.m. on Tuesday, March 24th and where possible, take the necessary measures so staff can work from home allowing operations to continue.
 - This closure will be in effect for 14 days with the possibility of extending this order as the situation evolves.
 - List of essential workplaces that will remain open:
 - I. https://www.ontario.ca/page/list-essential-workplaces?_ga=2.37792678.408296183.1584988026-960649370.1584550156
7. March 23rd - \$200 million in social services relief funding - Currently Active
- The Ontario government is providing **\$200 million** in social services relief funding to help protect the health and safety of the province's most vulnerable people.
 - The province will be providing municipalities and organizations that administer social services with funding to support them in their response to COVID-19.
 - The funding will help municipalities and social service providers such as shelters, food banks, emergency services, charities and non-profits continue to deliver their critical services, hire additional staff, and find ways to promote social distancing and self-isolation to keep clients safe and healthy.
 - The funding will also help individuals who do not qualify for emergency financial supports under federal programs.
 - The government is putting in place an expanded Emergency Assistance program administered through Ontario Works (OW) to cover these individuals' needs such as food, rent, informal childcare, and services.

Revision Update: March 24, 2020 @ 4:30PM

8. March 22nd - Ontario to Open Select Child Care Centres across the Province
 - In order to support health care and frontline workers during this COVID-19 outbreak, Ontario plans to exempt certain child care centres from the order to close all licensed child care centres.
 - Health care and other frontline workers, including doctors, nurses, paramedics, firefighters, police, and correctional officers, will be able to access safe, local emergency child care.
 - Once emergency child care centres open, a list of locations will be made available on ontario.ca/coronavirus.

9. March 20th - Ontario is waiving the three-month waiting period for Ontario Health Insurance Plan (OHIP) coverage
 - Additionally, the province will cover the cost of COVID-19 services for uninsured people who do not meet the criteria for OHIP coverage.

10. March 20th - Province Launches First Phase of the Learn at Home Portal:
Currently Active
 - Launch of the first phase of [Learn at Home](#), a new online portal that will provide resources for families so students can continue their education while schools are closed due to the ongoing COVID-19 situation.
 - Learn at Home offers all students high-quality, made-in-Ontario math and literacy resources, created by Ontario-certified educators, in both English and French.
 - The at-home activities offered provide quick and easy access to some of Ontario's best online **kindergarten to grade 12** learning resources produced by Ontario College of Teachers (OCT) Educators.
 - For students who do not have access to a computer, work is underway, in conjunction with school boards, to provide the necessary technology to everyone who needs it.
 - Ontario public schools will be closed from **March 14 through to April 5, 2020** to contain the spread of COVID-19. Similarly, private schools and licensed child care centres will also be closed until **April 5, 2020**.

11. March 19th - Extension of validation Periods for Driver, Vehicle and Carrier Products, Services and Health Cards: **Currently Active**
 - Ministry of Transportation and Ministry of Health, in cooperation with the Ministry of Government and Consumer Services and ServiceOntario, is extending the validity period of driving products, services and health cards.
 - These changes reduce the need for in-person visits to ServiceOntario, International Registration Plan offices and DriveTest centres during the

Revision Update: March 24, 2020 @ 4:30PM

COVID-19 outbreak, helping to promote social distancing and contain the spread of the virus.

- These new regulations include extensions for driver licences, licence plate validation, Ontario Photo Cards, and Commercial Vehicle Operator Registration certificates, among others.
- Expiring and expired health cards will continue to provide access to health services.
- The Ministry of Transportation is also automatically extending the due dates for medical or vision reports
- This extension will be in place until such time that, based on the advice of Ontario's Chief Medical Officer of Health and public health officials, the current situation improves.

12. March 17th - Ontario's First Stage of the COVID-19 Emergency Relief Fund:

Effective Immediately - Supporting Legislation to Follow

- Ontario is investing up to **\$304 million** to enhance the province's response to COVID-19 by providing the following:
 - I. **\$100 million for increased capacity in hospitals** to assist with the effective treatment of COVID-19 patients both in critical care and medicine beds.
 - II. **\$50 million for more testing and screening through public health**, including additional funding to support extraordinary costs incurred to monitor, detect and contain COVID-19 in the province. This includes contact tracing, increased laboratory testing capacity and home testing.
 - III. **\$50 million to further protect frontline workers, first responders and patients** by increasing the supply of personal protective equipment and other critical supplies and equipment to protect them.
 - IV. **\$25 million to support frontline workers** working in COVID-19 assessment centres, including the creation of a new fund to provide respite care, child care services and other supports as they are needed.
 - V. **\$50 million for long-term care homes** to support 24/7 screening, additional staffing to support infection control and additional supplies.
 - VI. **\$20 million for residential facilities in developmental services, gender-based services and protective care for children and youth** to support additional staffing, respite for caregivers impacted by school closures, personal protective equipment and supplies and transportation costs to minimize client exposure and to support social distancing, as well as additional cleaning costs.
 - VII. **\$5 million to protect seniors in retirement homes** through increased infection control and active screening procedures.

Revision Update: March 24, 2020 @ 4:30PM

- VIII. **\$4 million for Indigenous communities** to support transportation costs for health care professionals and the distribution of critical supplies.

13. March 16th - Job Protection for Workers during the COVID-19 Pandemic:

Effective Immediately - Supporting Legislation to Follow

- To protect Ontario's workers during the COVID-19 pandemic, the province is introducing legislation to protect Ontario's workers.
- ***The Employment Standards Amendment Act (Infectious Disease Emergencies), 2020***, provides job-protected leave for employees unable to work for the following reasons:
 - i. The employee is under medical investigation, supervision or treatment for COVID-19.
 - ii. The employee is acting in accordance with an order under the Health Protection and Promotion Act.
 - iii. The employee is in isolation or quarantine in accordance with public health information or direction.
 - iv. The employer directs the employee not to work due to a concern that COVID-19 could be spread in the workplace.
 - v. The employee needs to provide care to a person for a reason related to COVID-19 such as a school or day-care closure.
 - vi. The employee is prevented from returning to Ontario because of travel restrictions.
- The legislation makes it clear that an employee is not be required to provide a medical note if they take the leave.
- The measures are retroactive to January 25, 2020, the date that the first presumptive COVID-19 case was confirmed in Ontario.
- Many workers will be eligible for Employment Insurance sickness benefits.
- The legislation does not apply to people in sectors that fall under federal jurisdiction, including employees working for banks, airports, inter-provincial and international rail, and federal crown corporations

14. March 16th - Additional Support for Ontario Residents: Currently Active

- The Province is reviewing current access and eligibility to emergency assistance which is available through the Ontario Works (OW) program to support individuals who are impacted by the coronavirus and who are not able to meet their basic living expenses.

Revision Update: March 24, 2020 @ 4:30PM

- The Province has halted new evictions, and postponed enforcement of eviction orders in order to protect Ontario residents affected by the COVID-19 pandemic.

COVID-19 – Federal Government -Support for Businesses

As the pandemic situation is still evolving, new programs and supports may be announced in the future.

Website highlighting useful resources for businesses:

<https://www.tradecommissioner.gc.ca/campaign-campagne/ressources-entreprises-COVID-19-business-resources.aspx?lang=eng>

-
15. March 23rd - \$275 million for coronavirus research and medical countermeasures
 - Part of the \$1 billion COVID-19 Response Fund
 - The funding will be used to advance projects that are already underway by university researchers and others to respond to COVID-19, and ensure domestic supply of potential vaccines.
 - **\$192 million** in new projects that will be prioritized under the new Strategic Innovation Fund COVID-19 stream to deliver direct support to Canadian companies for large-scale projects.
 - Government of Canada is now providing [\\$52 million in funding for 96 research projects](#).
 16. March 23rd - \$5 billion in lending capacity to producers, agribusinesses, and food processors
 - Farm Credit Canada will receive support from the Government of Canada
 - This will offer increased flexibility to farmers who face cashflow issues and to processors who are impacted by lost sales, helping them remain financially strong during this difficult time.
 - All eligible farmers who have an outstanding Advance Payments Program (APP) loan due on or before April 30 will receive a Stay of Default, allowing them an additional six months to repay the loan.

Revision Update: March 24, 2020 @ 4:30PM

- This important measure, which represents **\$173 million** in deferred loans, will help keep more money in farmers' pockets during these critical months.

17. March 20th - National Research Council of Canada (NRC) - COVID-19 Challenge Program

- The **COVID-19 Challenge Program** is composed of teams of government, academic, and private sector partners, seeking to address a range of medium-term needs of the Public Health Agency of Canada and Health Canada.
- These medium-term needs include; personal protective equipment, sanitization products, diagnostic and testing products, therapeutics, and disease tracking technology.
- The most promising solutions will be selected for procurement, working with Innovative Solutions Canada.

18. March 18th - \$82 Billion COVID-19 Economic Aid Package: Currently Active

- **\$27 billion** in direct support to Canadian workers and businesses
- **\$55 billion** to meet liquidity needs of Canadian businesses and households through tax deferrals to help stabilize the economy
- Combined, this \$82 billion in support represents more than **3 per cent** of Canada's GDP

19. March 18th - Deferral of Income Tax: Currently Active

- Allows all businesses to defer, until after August 31, 2020, the payment of any income tax amounts that become owing on or after March 18th and before September 2020.
- The due date for filing individual tax returns has been extended to June 1, 2020.
- Taxpayers will have until August 31, 2020 to pay any 2019 income tax amounts owed.
- This relief would apply to tax balances due, as well as instalments, under Part I of the *Income Tax Act*.
- No interest or penalties will accumulate on these amounts during this period. This measure will result in businesses having more money available during this period.

Revision Update: March 24, 2020 @ 4:30PM

20. March 18th - Small Businesses 10% Wage Subsidy: Effective Immediately - Supporting Legislation to Follow

- To support businesses that are facing revenue losses and to help prevent lay-offs, the government is proposing to provide eligible small employers a temporary wage subsidy for a period of three months.
- The subsidy will be equal to **10%** of remuneration paid during that period, up to a maximum subsidy of **\$1,375 per employee** and \$25,000 per employer.
- Businesses will be able to benefit immediately from this support by reducing their remittances of income tax withheld on their employees' remuneration.
- Employers benefiting from this measure will include corporations eligible for the small business deduction, as well as non-profit organizations and charities.
- This will help employers keep people on their payroll and help Canadians keep their jobs.

21. March 18th - Business Credit Availability Program (BCAP): Currently Active

- The government will establish a **\$10 billion** credit facility to lend money to businesses under stress as a result of the spreading COVID-19 pandemic
- The program will support financing through the Business Development Bank of Canada (BDC) and Export Development Canada (EDC).
- Under this program, BDC and EDC will enhance their cooperation with private sector lenders to coordinate financing and credit insurance solutions for Canadian businesses.
- BDC link:
 - i. <https://www.bdc.ca/en/pages/special-support.aspx?special-initiative=covid19>
- EDC link:
 - i. <https://www.edc.ca/en/campaign/coronavirus-covid-19.html>
- **BDC Requirements - Business Credit Availability Program (BCAP) Terms & Conditions**
 - Working Capital loans up to \$2MM; with 12 months interest only payments
 - 36-month term to a 60% balloon;
 - Pricing: Floating Only (Base – 1.75%) approximately 3.30%*

Revision Update: March 24, 2020 @ 4:30PM

Documentation Required

- Most recent three years of accountant prepared year-end financial statements;
- Most recent interim financial statements (if year-ends are more than 3 months old) with comparisons to the previous year's interim period (if available);
- Projections and a cash flow forecast (a 6-month cash flow forecast may be most applicable); The purpose is to understand the company's true cash needs for the next six months.
- An organizational chart to the beneficial ownership level (i.e. shareholder level).

22. March 18th - Canada Account Limit

- The government is changing the Canada Account so that the Minister of Finance would now be able to determine the limit of the Canada Account in order to deal with exceptional circumstances.
- The Canada Account is administered by Export Development Canada (EDC) and is used by the government to support exporters when deemed to be in the national interest.
- This will allow the government to provide additional support to Canadian companies through loans, guarantees or insurance policies during these challenging times.
- <https://www.edc.ca/en/about-us/corporate/disclosure/reporting-transactions/canada-account.html>

23. March 18th - Regional Development Agencies (RDAs) - FedDev Ontario

- Regional Development Agencies, including FedDev Ontario, are applying a **three-month deferral** for companies in repayment. This deferral takes effect on April 1, 2020.
 - Tourism operators, small- or medium- sized business and organizations that have received FedDev Ontario funding in the past, may be eligible to receive additional funding and/or flexible arrangements.
 - FedDev Ontario is also offering access to federal funding to help businesses impacted by the sudden shift in the economy and who require pressing assistance.
- I. https://www.feddevontario.gc.ca/eic/site/723.nsf/eng/h_02567.html?OpenDocument

Revision Update: March 24, 2020 @ 4:30PM**24. March 18th - Additional Support for Businesses: Currently Active**

- The Office of the Superintendent of Financial Institutions (OSFI) announced it **is lowering the Domestic Stability Buffer by 1.25%** of risk-weighted assets, effective immediately. This action will allow Canada's large banks to inject **\$300 billion** of additional lending in to the economy.
- Credit and liquidity support through financial Crown corporations, Bank of Canada, OSFI, CMHC and commercial lenders (e.g., Domestic Stability Buffer, Insured Mortgage Purchase Program, Banker's Acceptance Purchase Facility) in the range of **\$500 Billion**

25. March 16th - Insured Mortgage Purchase Program: Currently Active

- Launch of an Insured Mortgage Purchase Program to purchase up to **\$50 billion** of insured mortgage pools through the Canada Mortgage and Housing Corporation (CMHC).
- As announced on March 16, this will provide stable funding to banks and mortgage lenders and support continued lending to Canadian businesses and consumers.
- CMHC stands ready to further support liquidity and the stability of the financial markets through its mortgage funding programs as necessary. The Government will enable these measures by raising CMHC's legislative limits to guarantee securities and insure mortgages by \$150 billion each.

26. March 16th - Measures Enacted by the Bank of Canada

- The Bank of Canada also took a series of actions to support the Canadian economy during this period of economic stress, enhance the resilience of the Canadian financial system, and help ensure that financial institutions can continue to extend credit to both households and businesses.
- This included cutting the interest rate to **0.75%** as a proactive measure in light of the negative shocks to Canada's economy arising from the COVID-19 pandemic and the recent sharp drop in oil prices.
- The Bank has broadened eligible collateral for its **Term Repo Facility**, under which the central bank temporarily buys treasury bills from dealers to help maintain funding conditions by providing a backstop to regular private funding.
- **Bankers Acceptance Purchase Facility** -- Purchase of securities linked to credit lines of small and medium-sized businesses. The first operation is planned for **March 23**.

Revision Update: March 24, 2020 @ 4:30PM

- **Standing Liquidity Facility** -- This is the Bank of Canada's overnight credit facility for the country's payment system. Bank of Canada said Monday it will allow a greater percentage of collateral to be in the form of non-mortgage loans.
- **Canada Mortgage Bonds** -- The country's mortgage fund program lets approved financial institutions pool eligible insured mortgages into marketable securities, guaranteed by the country's housing agency. The Bank announced today it will target purchases of up to **\$500 million** per week "as market conditions warrant"

27. March 15th- Support for employers and workers through the Work-Sharing program: Currently Active

- **Work-Sharing (WS)** is an adjustment program designed to help employers and employees avoid layoffs when there is a temporary reduction in the normal level of business activity that is beyond the control of the employer.
- The measure provides income support to employees eligible for Employment Insurance benefits who work a temporarily reduced work week while their employer recovers.
- Introduction of temporary special measures that extend the maximum duration of Work-Sharing agreements from 38 weeks to 76 weeks across Canada for those businesses affected by the downturn in business due to COVID-19 and for the forestry and steel and aluminum sector
- <https://www.canada.ca/en/employment-social-development/services/work-sharing/temporary-measures-forestry-sector.html>

28. March 15th - Changes to the Employment Insurance sickness benefits: Currently Active

- Employment Insurance (EI) sickness benefits provide up to 15 weeks of income replacement and is available to eligible claimants who are unable to work because of illness, injury or quarantine, to allow them time to restore their health and return to work.
- Canadians quarantined can apply for Employment Insurance (EI) sickness benefits.

Service Canada is ready to support Canadians affected by COVID-19 and placed in quarantine, with the following support actions:

- The one-week waiting period for [EI sickness benefits](#) will be waived for new claimants who are quarantined so they can be paid for the first week of their claim.
- This temporary measure will be enacted for a minimum of six months.
- Establishing a new dedicated toll-free phone number to support enquiries related to waiving the [EI sickness benefits](#) waiting period

Revision Update: March 24, 2020 @ 4:30PM

- Priority EI application processing for EI sickness claims for clients under quarantine
- People claiming EI sickness benefits due to quarantine will not have to provide a medical certificate
- Contact the new dedicated toll-free phone number if you are in quarantine and seeking to waive the one-week [EI sickness benefits](#) waiting period so you can be paid for the first week of your claim:
- Telephone: 1-833-381-2725 (toll-free)

**29. March 11th - Public Works and Government Services Canada – COVID-19
Supplier Purchasing Program**

- In support of the Governments [whole-of-government response to Coronavirus disease \(COVID-19\)](#), the Government is seeking to procure additional goods from suppliers
- If you are a supplier which can provide items from the list, or other items not listed, please complete the [submission form for Coronavirus disease \(COVID-19\) products and services](#).
 - i. Disposable N95 masks
 - ii. Disposable surgical masks
 - iii. Nitrile gloves
 - iv. Vinyl gloves
 - v. Gowns
 - vi. Bottles of hand sanitizer
 - vii. Other prevention products
- Services
 - i. Guard / security services
 - ii. Nursing services
 - iii. Food services
 - iv. Laundry services
 - v. Accommodation maintenance services
 - vi. Personal services
 - vii. IT support services
 - viii. Other services
- For more information, please contact:
Martin Montreuil: martin.montreuil@tpsgc-pwgsc.gc.ca / Tel: 613-793-3594

COVID-19 – Federal Government - Support for Individuals

30. March 18th - Temporarily Boosting of Canada Child Benefit payments:
Implementation by May
- Additional assistance to families with children by temporarily boosting the Canada Child Benefit (CCB) payment amounts, only for the 2019-20 benefit year, by \$300 per child.
 - This measure would deliver almost **\$2 billion** in extra support.
31. March 18th - Emergency Care Benefit - Support to Workers who Must Stay Home: Implementation by Early April
- Emergency Care Benefit of up to **\$900 bi-weekly** for up to **15 weeks** to provide income support to workers who must stay home and do not have access to paid sick leave.
 - *This measure could provide up to \$10 billion to Canadians, and includes:*
 - Workers, including the self-employed, who are sick, quarantined, or who have been directed to self-isolate but do not qualify for Employment Insurance (EI) sickness benefits.
 - Workers, including the self-employed, who are taking care of a family member who is sick with COVID-19, such as an elderly parent or other dependents who are sick, but do not qualify for EI sickness benefits.
 - EI-eligible and non EI-eligible working parents who must stay home without pay because of children who are sick or who need additional care because of school closures.
32. March 18th - Mortgage Default Management Tools – Effective Immediately
- The Canada Mortgage and Housing Corporation (CMHC) and other mortgage insurers offer tools to lenders that can assist homeowners who may be experiencing financial difficulty.
 - The Government, through CMHC, is providing increased flexibility for homeowners facing financial difficulties to defer mortgage payments on homeowner CMHC-insured mortgage loans.
 - CMHC will permit lenders to allow payment deferral beginning immediately.
33. March 18th - Emergency Support Benefit - Canada Revenue Agency:
Implementation by Early April
- Emergency Support Benefit delivered through the Canada Revenue Agency to provide up to **\$5 billion** in support to workers who are not eligible for EI and who are facing unemployment.

Revision Update: March 24, 2020 @ 4:30PM

34. March 18th - Goods and Services Tax (GST) Credit - Special Top-Up Payment:
Implementation by Early May

- Provides additional assistance to individuals and families with low and modest incomes with a special top-up payment under the Goods and Services Tax (GST) credit.
- Government is proposing to provide a one-time special payment by early May 2020 through the Goods and Services Tax credit (GSTC).
- The average boost to income for those benefitting from this measure will be close to \$400 for single individuals and close to \$600 for couples.
- This measure would inject **\$5.5 billion** in the economy.

35. March 18th - Extension of Tax Filing Deadline: **Currently Active**

- The tax filing deadline for individuals has been extended to June 1, and allows all taxpayers to defer, until after August 31, 2020, the payment of any income tax amounts that become owing on or after March 18th and before September 2020.
- This relief would apply to tax balances due, as well as instalments, under Part I of the *Income Tax Act*.
- No interest or penalties will accumulate on these amounts during this period. This measure will result in households having more money available during this period.

36. March 18th - Registered Retirement Income Funds (RRIFs) – Minimum Withdrawals

- The reduction of minimum withdrawals from Registered Retirement Income Funds (RRIFs) by **25 per cent for 2020** in recognition of volatile market conditions and their impact on many seniors' retirement savings.

37. March 18th - Deferral of Canada Student Loan Payments: **Implementation by Early April**

- The implementation a **six-month, interest-free**, moratorium on Canada Student Loan payments for all individuals who are in the process of repaying these loans.

38. March 18th - \$305 million Indigenous Community Support Fund: **Implementation by April**

- **\$305 million** for a new distinctions-based Indigenous Community Support Fund, to address immediate needs in First Nations, Inuit, and Métis Nation communities.

Revision Update: March 24, 2020 @ 4:30PM
