[Investment Ready: Certified Site Program](#)

Description: Through the Investment Ready: Certified Site program, you can benefit from financial and international marketing support, as well as an Investment Ready: Certified Site designation once you complete a set of requirements for an eligible property.

Kettle Point Incentives and Services

[Ontario Emerging Technologies Fund - Ontario Capital Growth Corporation](#)

Description: To leverage private sector capital in clean technology, life sciences and advanced health technologies, digital media and information and communications technology sectors.

Commercialization

[Conservation Fund](#)

Description: The Conservation Fund provides financial support to new and innovative electricity conservation initiatives designed to enable Ontario's residents, businesses and institutions to cost-effectively reduce their demand for electricity.

[Ontario Centres of Excellence Inc.](#)

Description: Covers three key areas: Industry-Academic R and D Collaboration; Commercialization; and Entrepreneurship. Other key OCE initiatives are the IBM Smart Computing Initiative and Colleges Ontario Network for Industry Innovation (CONII).

[Ontario Research Fund - Research Excellence \(ORF-RE\)](#)

Description: The Ontario Research Fund - Research Excellence (ORF-RE) provides research institutions with funding to help support the operational costs of large-scale transformative research of strategic value to the province.

Digital Media

[Film Fund - Ontario Media Development Fund](#)

Description: Ontario Creates Film Fund is intended to increase the level of domestic feature film production in Ontario. It provides support to Ontario producers for feature film projects with development and production financing.

[Film or Video Production Services Tax Credit \(PSTC\)](#)

Description: Tax credit designed to enhance Canada as a location of choice for film and video productions employing Canadians, as well as to strengthen the industry and secure investment.

[Industry Development Program - Ontario Media Development Corporation](#)

Description: Ontario Media Development Corporation provides support to Ontario's cultural entrepreneurs by partnering with established trade and event organizations to offer initiatives, events and activities that stimulate the growth of the cultural media industries.

[Interactive Digital Media Fund \(IDM\) - Ontario Media Development Corporation](#)

Description: The Marketing and Distribution Initiative (MDI) is intended to assist producers of Ontario Creates Film Fund supported projects to make a meaningful contribution to the domestic marketing and distribution of their projects leading up to and during their release. Available during fiscal 2019-20, this time-limited initiative is intended to support strategies and tactics that are an extension of traditional marketing and distribution activities. The MDI encourages innovative strategies that can work independently and/or in conjunction with pre-existing distribution strategies.

[Ontario Book Publishing Tax Credit \(OBPTC\)](#)

Description: Tax credit for Ontario publishing companies to publish and promote works by a Canadian author.

[Ontario Computer Animation and Special Effects Tax Credit \(OCASE\)](#)
